

2 + 2 Quality Learning Follow-Up Seminars

with David Langford

2012

David Langford in cooperation with Quality Learning Australia has developed a 2 + 2 follow-up training cycle open to teachers and administrators. The first two days are focused on leadership issues related to improving learning. The second two days are focused on improving learning in the classroom.

Participants are welcome to attend either 2-day session or both.

What will I learn at the Leadership for Learning Seminar?

Strengthen your Leadership for Learning by:

- Understanding more about Profound Knowledge: the theory of improvement.
- Learning how tools can be used to improve systems.
- Exploring how to coach and manage learning and teaching teams.
- Deepening knowledge of using PDSA for whole school improvement.
- Practicing Quality Learning tools.
- Learning from other participants.
- Sharing challenges and successes.

What will I learn at the Classroom Follow-up Seminar?

Deepen your knowledge of Quality Learning in the Classroom through learning more about::

- Translating state and national curriculum standards into Capacity Matrices.
- Creating student-led learning projects aligned to Capacity Matrices.
- Curriculum mapping an entire year with Gantt Charts.
- Integrating projects with other subject areas.
- Creating student portfolios.
- Managing self-paced classrooms.
- Assessing and monitoring performance.
- Quality Learning tools specifically related to brain research.
